Keynote speakers are confirmed: https://giscience2023.github.io/pages/Keynote.html
Registration is now open*: https://giscience2023.github.io/pages/registration.html

Call for Papers

Call for Short papers: deadline ~~Monday 8 May~~ **Monday 22 May 2023**
Short papers that report on work in progress will be reviewed by at least three members of the international program committee. Accepted papers in this track will be selected for oral presentation and published in the LIPIcs conference proceedings. Short papers must be written in English and should not exceed six pages (including title, figures, and references) and in the requested LIPIcs layout. In addition, each submission must have a subtitle 'Short Paper' to distinguish Full papers from Short papers. Details are at the GIScience CFP. Papers should be submitted through Easychair.

Call for posters: deadline ~~Monday 8 May~~ **Monday 22 May 2023**
We welcome posters at GIScience 2023. All posters will be reviewed by the General Chairs and Programme Chairs. Posters can be submitted by uploading a 300 word abstract to Easychair (there is no need to upload the full poster for the process of review).

General Chairs
Lex Comber (a.comber@leeds.ac.uk)
Nick Malleson (N.S.Malleson@leeds.ac.uk)
Alison Heppenstall (Alison.Heppenstall@glasgow.ac.uk)

* registration includes reduced rates for ECRs and attendees from lower- and middle-income countries. Also note that we are aiming to provide some accommodation support for attendees from lower- and middle-income countries.
